In the midst of the COVID-19 pandemic, Mumia (an innocent man convicted because of police, judicial and prosecutorial misconduct) and countless other aging political prisoners are facing a death sentence from the pandemic, as are thousands of other vulnerable and immune-compromised prisoners in Pennsylvania and across the country. We can't let them die in their cells by inhumane medical neglect when basic human compassion demands their immediate release.

Co-sponsored by International Concerned Family and Friends of Mumia Abu-Jamal (ICFFMAJ), the Free Mumia Abu-Jamal Coalition (NYC), Mobilization4Mumia, The Campaign to Bring Mumia Home, the Free Mumia Abu-Jamal Coalition - Bay Area, Mobilization to Free Mumia, and Labor Action Committee to Free Mumia Abu-Jamal.
